

RISE Undercliff Run 2009

A message from the organisers.

We regret that the results table, shows some gaps in placings and timings. We are also aware that some of the times are not as accurate as we would have hoped. Despite the valiant efforts of our volunteers, some of you were just too fast and some numbers were hard to read. We had planned to have a full and comprehensive results listing, and we sincerely apologise that we are unable to do this. If you are missing from the list and can let the organisers know your run number and time we would be happy to update the list.
